

Selection / Recommendation / Examination

The following sections of the referee rules will write down the minimal requirements to keep the referee license.

Section 8 validity of license and compatibility

- a. The continental license **is valid for 3 years** and can be renewed if the referee has participated in a new referee course or a refreshment course on a competition of the continental union and has refereed at least 2 competitions of the continental union in this period, with positive observation reports and stamps.
- b. The world license is valid for 3 years and can be renewed only if the referee has participated in a new referee course or a refreshment course on a JJIF-Competition and has refereed at least 2 JJIF-competitions (also World Championships and World Games) in this period, with positive observation reports and stamps.
- c. If the referees meet the mentioned requirements, their license will be renewed for 3 more years.
- d. A referee who doesn't meet the mentioned requirements cannot judge any competition. If he will obtain the license again then he must pass the theoretical and practical tests in order to remain in their license. If he doesn't participate to the course and/or do not pass the tests, at the end of the 3 year period **he will be automatically declassified to the lower class** (from world A to world B, from world B to continental A, from continental A to continental B, and from continental B to national).

At the same time the minimal license will be indicated for international Championship:

Section 12 Participation on Competitions

- a. The organizer of a tournament is responsible of enough referees for this tournament. The organizer declares a responsible referee for the tournament.
- b. In international championships the referees must have the following licence:
 1. A Continental Referee can referee at all Continental Competitions at all match levels except in matches for 1st, 2nd and 3rd place (medal places) in both Systems.
 2. In world competitions (World Championships, World Games, etc.) a World B referee can be Referee at all match levels in both Systems except in matches for 1st, 2nd and 3rd place (medal places). A World A Referee can be referee at all match levels in both Systems and in all Competitions.

Selection

The Referee Committees has the responsibility to select referees for international Championships.

Section 4e

Before a World Championship or World Games the director of the international referee commission will send out a list of potential referees. This list will be sent to each country. Referees who are not on the list cannot referee at World Championships or World Games. The director for continental referee commission will do exactly the same thing for continental championships.
